Uvod

1) Korišćeni programski jezici:

- HTML
- CSS
- JavaScript
- XML
- jQuery
- JSON
- Ostalo: Bootstrap 5.0.2

2) Opis Funkcionalnosti:

- Strelica za povratak na prethodnu stranicu
- Dinamički ispisani navigacioni meni
- Dinamički ispisani proizvodi koji su dohvaćeni iz JSON-a
- Dinamički ispisani checkboxovi čije su kategorije dohvaćene iz JSON-a
- Dinamički ispisani članovi tima koji su dohvaćeni iz JSON-a
- Dinamički ispisana forma i ikone
- Filtriranje i sortiranje proizvoda
- Korpa sa mogućnosti ubacivanjem sadržaja i poručivanja.
- Korišćen localStorage gde su smešteni svi proizvodi.

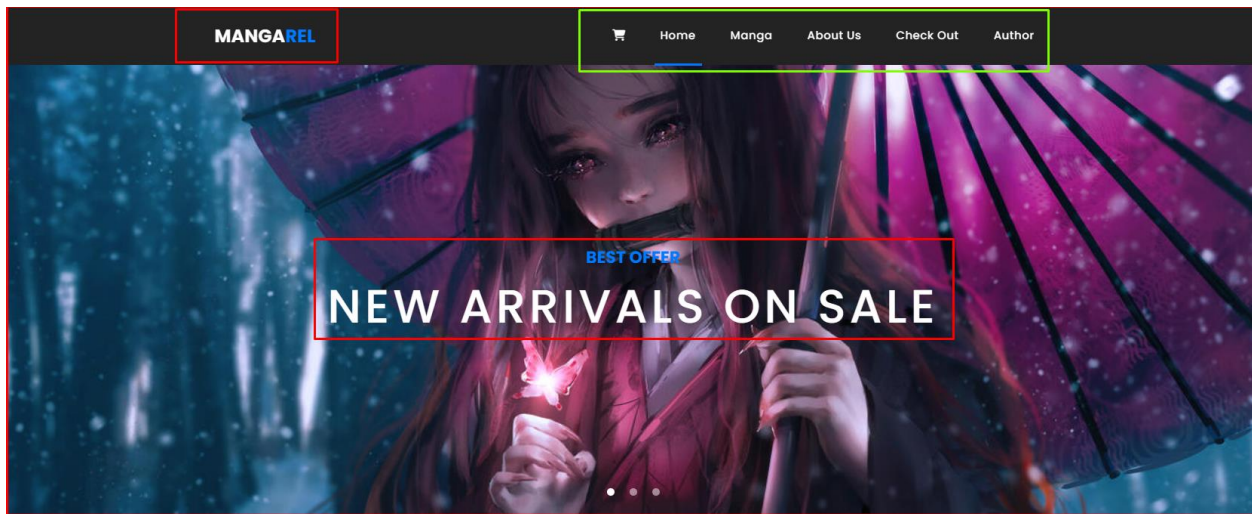

3) Template

Link: [Sixteen Clothing Free Website Template | Free CSS Templates | Free CSS \(free-css.com\)](#)

Zelenom bojom su označeni dinamički napisani divovi

Crvenom bojom su preuzeti divovi, a žutom posebno dodati divovi.

Do you have mangas in other languages?

At MangaRel, we offer manga titles in a variety of languages, not just English. Our collection includes manga in Japanese, Chinese, Korean, French, Spanish, and other languages. We believe that manga is a global phenomenon, and we want to provide our customers with access to manga in their preferred language.

Author

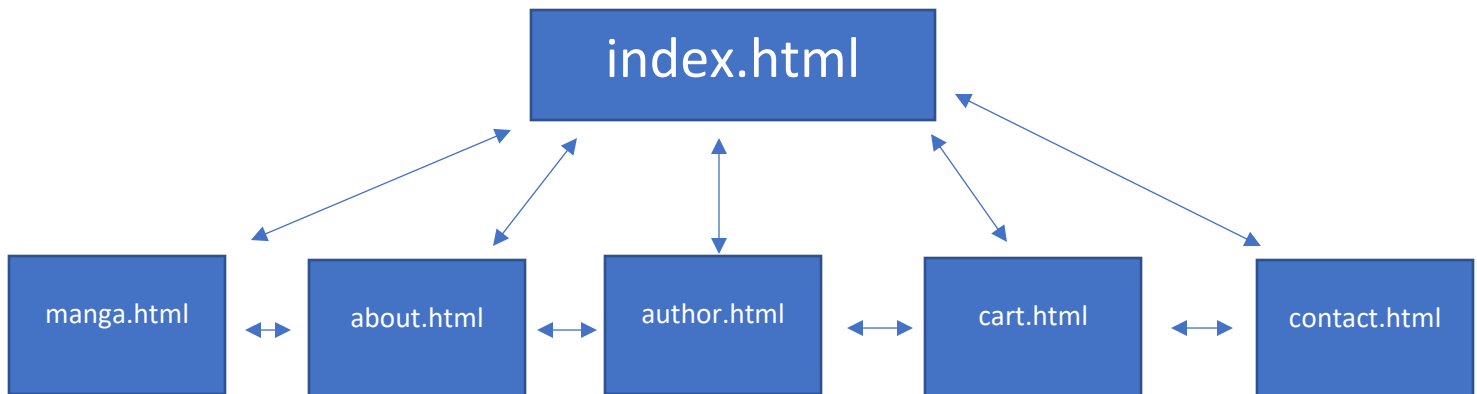

Uros Joksimovic 120/21

I am 21 years old. I live in Serbia and I'm from Belgrade. I want to help my clients to the best of my ability and also the best corporation. Although I'm still studying at the university of vocational studies for information and communication technologies, I had a lot of experience with work. In addition to programming, I also do graphic design, photography and marketing.

        <a>How long is postage waiting?</a>
        <div class="content">
            <p>The length of postage waiting time may vary
            depending on your location and the shipping option you select at
            checkout. We offer several shipping options, including standard
            shipping, expedited shipping, and express shipping, each with
            different estimated delivery times. For standard shipping, the
            estimated delivery time is usually within 7-14 business days, while
            expedited shipping can take between 3-5 business days. If you need
            your manga titles urgently, we also offer express shipping with an
            estimated delivery time of 1-2 business days. Please note that these
            delivery times are estimates and may vary depending on your location
            and other factors such as customs clearance procedures. Once your
            order has been shipped, we will provide you with a tracking number so
            you can keep track of your shipment's progress.</p>
